SPACES

ensemble

observing the sea

slip into disappearance

where the sky is a waterfall
& the story a net to be cut

where the architecture
is a wave or maybe a flower

*

the library of the moon
equates to disarm the world

unknown figures
walk the shore

the landscape
is a door

*

trace

the

astronomy

of

a

tree

porcelain & paintings

fish flower bird. wind wave cloud.
the years. the walks. the lampposts.
violets & costumes. to read another book.
impatient the desire for illumination.

*

utopia the morning

the blue canoe
rises from the page

Berryman's *Dream Songs*
Agnes Martin's *Writings*

Frankenthaler's *Basque Beach*
Mountains and Sea

labyrinths & maps

piecing together

birds & forests

chameleons

across clouds

parenthesis wood

weaving then unraveling

the ornithologist

the traveler

thimbles

suns & moons
